

FREE SCHOOL MEALS

To claim Free School Meals, staff at the Gateway Centres should be able to process your Free School Meals Application on a drop in basis. However, if you would like to see an advisor in a private interview room, at one of the Gateway Centres, you will need to make an appointment.

Staff at Unity House should also be able to process your Free School Meals Application on a drop in basis. However, you can see an advisor in a private interview room without an appointment, though you may have to wait for this service.

If you need to book an appointment, please telephone the Free School Meal Applications Number: 909 6508

Monday to Friday
