

**HEADPHONES / EARPHONES:** if listening to music when travelling to and from school, keep the volume to a level where you can still hear the traffic.

**MOBILE PHONES:** That game can wait, put it away when crossing the road so you can keep an eye on the traffic.

# SAFE

**PATHWAYS:** How big is your group? Do you need to spread out so others can use the pavement too?

**MAIN ROADS:** Use the crossings. Don't jump over the central reservations.

**BIKES:** Do you ride to school? You should be wearing a helmet and be concentrating at all times.
