

Date: 03.03.21

Dear Parents and Carers

I would like to extend a very warm welcome to Oasis Academy MediaCityUK where your child is about to embark on the next stage of their school journey. We are really looking forward to welcoming our new students to the academy in September and delighted that you will be joining the Oasis MediaCityUK family

As I'm sure you are aware, Oasis Academy MediaCityUK is a diverse, vibrant and successful school within a unique geographical setting close to MediaCity Quays. We are incredibly proud of all our students and their amazing achievements which we believe is in part due to our clear focus on the academy vision. You will see from our website and other platforms that our vision is to ensure all students are equipped with the skills, abilities and qualifications to pursue a fulfilling career and become responsible, respectful global citizens. In short, our vision is to ensure we reach two main goals, to support our students to get their dream job and to become respectful, model citizens. For your child and yourself this journey starts today.

Over the coming weeks and months there will be a number of communications from us, notable from Miss McMinn our Year 6 -7 Transition Leader as well as other key staff who will provide you with additional detail regarding the transition from primary school to Oasis MediCityUK.

The global Covid -19 pandemic has made this year a very challenging one for us all and I want to extend my support to your family at this difficult time. Many children may be feeling anxious and concerned and so if you feel additional support is required please do let us know.

If you would like more information about our wellbeing support or indeed other aspects of the academy then please do take a look at our website which will give you a flavour of our wonderful school and community <https://www.oasisacademymediacityuk.org/>

I look forward to meeting you and working with you in the future to ensure that all our new students have the best possible start to their secondary education.

Kind regards

Mrs Marie Dillon

Principal
