Dear parents/carers,

We are delighted to welcome you and your child to Oasis Academy Media City UK as part of our new Year 7 cohort, September 2021.

At Oasis Academy MediaCityUK, not only do we help our young people to achieve their very best academically, but we also support them to develop their talents. Together, our students support one another to grow and mature to become accomplished members of their community ready and equipped for their next steps.

The academy has a talented and caring team of specialist teachers and support staff, fantastic facilities and a wide range of great enrichment opportunities. I am confident that your child will have a very bright future with us to enable them to develop the skills, abilities and qualifications to pursue a fulfilling career and become a respectful, responsible global citizen.

Transition from primary to secondary school can be an exciting and exhilarating time for many students. The opportunity to experience new subjects, new activities and make new friends at a bigger school is often met with great excitement. Here at Oasis Academy MediaCityUK our vision is to ensure that every student is equipped with the skills needed for the wider world. This starts as soon as they have their place. As we will be getting in contact with your child's primary school to learn more about them and how we can create the best learning environment for them from the very first day in September, by delivering a robust transition programme to help ensure the smoothest start possible.

I realise at the moment that you and your son/daughter may be more anxious as schools have been disrupted with the current Covid-19 situation. Please do not worry as we will be in contact with you, updating you with information and eventually confirming exactly what the transition programme will look like prior to starting in September. Also further information will be posted on our website so please do keep checking the transition area at [www.oasisacademymediacityuk.org/academy-life/pastoral-care/transition](http://www.oasisacademymediacityuk.org/academy-life/pastoral-care/transition) in order to keep yourselves up to date.

We have a dedicated team of staff who manage the transition program and are here for any support and guidance you may need. The team includes our SENDCO, child protection officer, attendance officer and the Year 7 pastoral leader. I hope that your son/daughter are looking forward to joining our Oasis family as much as we are.

Should you have any concerns or questions please do not hesitate to contact myself at [Kerry.mcminn@oasismediacityuk.org](mailto:Kerry.mcminn@oasismediacityuk.org) or by emailing the transition team on [Transition@OasisMediaCityUK.org](mailto:Transition@OasisMediaCityUK.org).

I look forward to meeting you all,

Yours sincerely,

Kerry McMinn,
