Dear parents/carers

Please find my update below with important messages regarding Covid-19

As you are aware the Government announced a second national lockdown starting this week, Thursday 5<sup>th</sup> November 2020. The guidance explains that 'Schools continue to remain open for all children' and goes on to set out further control measures. As an academy we currently follow many measures advised in this guidance, for example 'students to wear face coverings when outside of classrooms such as in corridors'.

However, some amendments have had to be made, for example all extra-curricular activities and clubs are postponed until further notice. In addition parental visits to the academy will not be permitted until further notice and communication will take place via telephone, email, website and other electronic forums.

For parents of students classed as clinically extremely vulnerable can I please ask you to contact the academy if you have not already done so in order to discuss appropriate risk assessment and management.
