

Date: 14.10.2020

Dear Parents/Carers,

Please see additional information below to support your child's online learning. **This will be in place from Thursday 15th October up to and including Friday 23rd October.** Your child has been made aware of these arrangements..

To ensure your child can still learn from home, lessons will be delivered throughout the day online using Microsoft Teams (see information below regarding how your child will access Microsoft Teams). Please note an internet connection and a laptop/tablet is required. Please contact school if you need support with accessing on line lessons.

Online learning will commence on Thursday 15th October. Your child will follow their normal timetable (please see website) and is expected to attend all lessons. All lessons will be delivered by your child's specialist teachers as they would be in school.

There will be no on-line learning on Friday 16th October due to the staff inset day and there will be on-line learning during the half-term break.

How does my child access Microsoft Teams?

In order to gain access to these online lessons it is important that your son/daughter downloads the Microsoft Teams application to either their mobile, tablet or laptop. This is a free download. To download this application onto a mobile device or tablet please search "Microsoft Teams" in the app store. Alternatively to download this to a laptop or PC click [here](#).

Once the application has downloaded please log in using your school e-mail address and password. E-mail addresses are firstname.secondname@oasismediacityuk.org eg. joe.smith@oasismediacityuk.org.

If there are issues with logging in please contact the IT Support in the following ways:

Tel: 02079214330

e-mail: servicedesk@oasisuk.org

Kind regards

Mr Paul McEvoy

Deputy Principal

Principal - Marie Dillon
King William Street, Salford Quays, Salford, M50 3UQ
