FOR PARENTS OF CLOSE CONTACTS OF COVID 19 at Oasis Academy MediaCityUK

Advice for Child to Self-Isolate for 14 Days

Dear Parent,

We have been advised by Public Health England that there has been an additional confirmed case of COVID-19 within the school.

This will now mean an extension to the period of isolation to include the new positive case.

We have followed the national guidance and have identified that your child's year group bubble have come into contact with a positive case. In line with the national guidance your child must stay at home and self-isolate until and including **Wednesday 4th November 2020**. If your child is well at the end of the 14 days period of self-isolation, then they can return to usual activities and return to school on **Thursday 5th November 2020**.

Other members of your household can continue normal activities provided your child does not develop symptoms within the 14 day self-isolation period.

Please see the link to: Guidance for contacts of people with confirmed coronavirus (COVID-19) infection who do not live with the person

<https://www.gov.uk/government/publications/guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person>

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119 .

People who do not have symptoms should not request a test unless this has been specifically requested by Public Health England or the local authority.

All other household members who remain well must stay at home and not leave the house for 14 days. This includes anyone in your 'Support Bubble'.

The 14-day period starts from the day when the first person in the house became ill.

Household members should not go to work, school or public areas and exercise should be taken within the home. If you require help with buying groceries, other shopping or picking up medication, or walking a dog, you should ask friends or family. Alternatively, you can order your shopping online and medication by phone or online.

Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community

If you are able can, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>. If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at <https://111.nhs.uk/> or by phoning 111.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

Online lessons will continue after half term from Monday 2nd November to and including Wednesday 4th November following your child's normal timetable.

As you know, the health, safety and wellbeing of all of our young people is our top priority. We have extensive safety measures in place to mitigate against the risk of transmission but I appreciate that this news may be difficult to read and completely understand the frustration you may be feeling regarding the interruption to your child's face-to-face education. Please allow me to reassure you that we are deeply committed to supporting your child in their online learning and with their wellbeing.

If you have any questions or concerns please do not hesitate to get in touch with the academy.

Thank you for your support in these challenging times

Yours sincerely

Mrs M Dillon
