## Change to year 10 start time – Important Information

Dear Parent/Carer,

First of all I want to say we are really looking forward to welcoming all of our year 10 students back to the Academy. Our first week of being open has been a huge success with the introduction of our bubble system, socially distanced teaching and hygiene procedures. As we have lived through the first week we have reflected upon what has worked and what needs to improve to ensure we operate a safe school.

As you may be aware our year 7 and year 10 students will both use King William Street to enter school meaning that these two year groups may potentially cross bubbles on the way into school – something we want to avoid. With this in mind we have made the decision to alter the school start times for year 10 only. To maintain a safe entry to school **year 10 will start the school day at 8.40am.**

It is important that year 10 students do not arrive to school before this time as they may put themselves at risk of crossing into the year 7 bubble. Upon arrival students will enter the year 10 zone where they will wash their hands with soap and water. From this point on year 10 will be kept within their own bubble.

We looking forward to seeing your child on Monday 7<sup>th</sup> September 2020.

Yours Sincerely

Mrs M Dillon

Principal - Marie Dillon
