

January 2022

Dear Parent/ Carer,

Please find below the information you require on how your child will learn remotely whilst isolating with COVID – 19.

If your child is unwell during their isolation period, there is no expectation for them to access remote learning. However, if they are well and able, they should be accessing their curriculum through the use of Oak Academy lessons and Microsoft teams. Your child(ren) can access both resources using their iPads. Oak Academy has been designed and planned by teachers across the country during the COVID-19 pandemic and has been approved by the Department for Education, to allow students to continue to learn independently from home. Your child should access each lesson each day via their iPad and submit work to their teacher via their class on Microsoft Teams.

How to access the National Oak Academy learning platform:

1. Access the national Oak Academy website:
<https://classroom.thenational.academy/>
2. Select the “Schedule” tab:

Classroom

Over 10,000 free video lessons, resources and activities

Find Lessons

Browse the classroom

Principal - Paul McEvoy

King William Street, Salford Quays, M50 2UQ

Tel: 0161 886 6500. Fax: 0161 921 1543. www.oasisacademymediacityuk.org

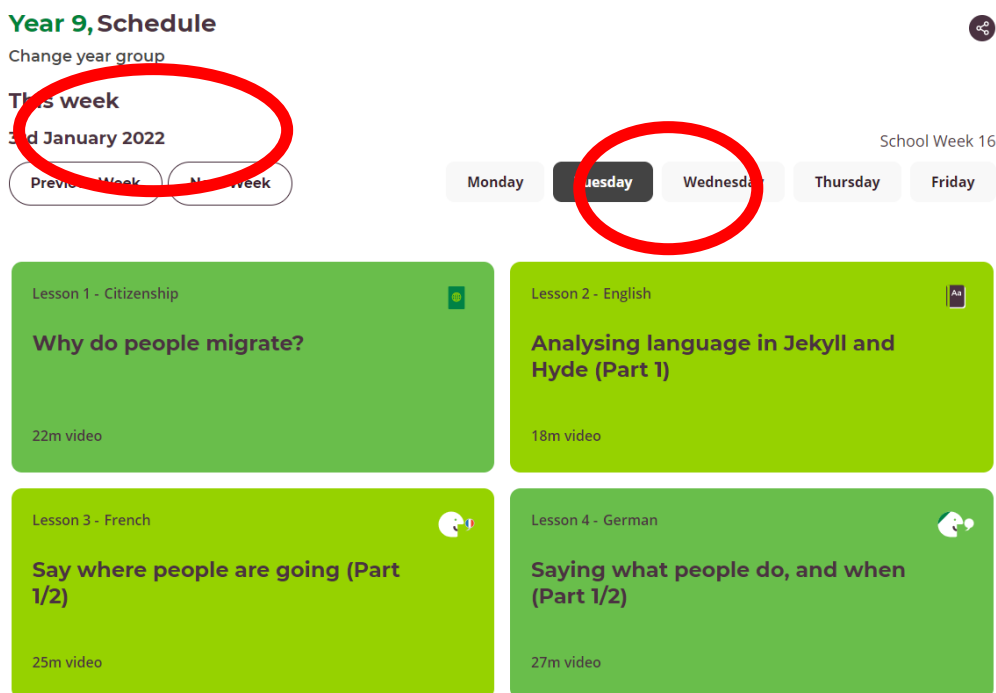

Oasis Academy MediaCityUK is sponsored by Oasis Community Learning www.oasiscommunitylearning.org – part of Oasis UK.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales (No.5398529) and an Exempt Charity Registered Office: 75 Westminster Bridge Road, London SE1 7HS

3. Select the relevant year group for your child:

4. Each day, there will be a full timetable of lessons for the students to access:
For example:

Principal - Paul McEvoy

King William Street, Salford Quays, M50 2UQ

Tel: 0161 886 6500. Fax: 0161 921 1543. www.oasisacademymediacityuk.org

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales (No.5398529) and an Exempt Charity Registered Office: 75 Westminster Bridge Road, London SE1 7HS

*Students should complete the lessons that are relevant to them. For example, (as seen above), there is a German lesson on Tuesday 4th January for Year 9. Our students do not learn German and therefore we would not expect students to complete this lesson. However, we would want them to complete the English, French, Maths and Science lessons for that day

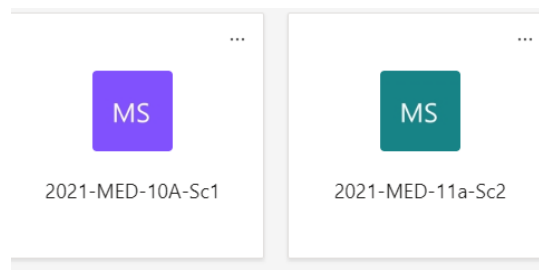

How will teachers monitor your child’s learning:

At the end of each Oak Academy lesson, there is a quiz which your child should complete. Once they have their score they should share their scores to their Microsoft team for that class. Your child’s teachers will monitor how your child is progressing and will support them on their return with any misconceptions

Should you or your child wish to have access to additional learning to the Oak National Academy lessons, this can be done by:

- Microsoft Teams: All lessons will be uploaded to Microsoft teams. Should your child wish to access the specific lessons being delivered in class, the resources will be available for them in their team. For example:

Principal - Paul McEvoy
