Dear parent/carers

**Re-Introduction of Lateral Flow Testing at Oasis MediacityUk**

Due to the rapid increase of covid cases within the Salford area we have been asked by Salford City Council to reintroduce bi-weekly asymptomatic testing within school. Asymptomatic testing is a vital part of mitigating the spread of the virus within the community.

Asymptomatic testing will take place during the school day from 21<sup>st</sup> June 2021. For those that have already consent to Lateral Flow testing, your child will automatically be tested. If you have not previously consented to Lateral Flow testing but now wish to do so, please update the consent section on 'My Child at School' or alternatively email us on [info@oasismediacityuk.org](mailto:info@oasismediacityuk.org).

If your child receives a negative result, they will continue with their normal lessons. If your child receives a positive result, we will contact you whereby you will be required to collect your child from school and book a PCR test.

Please note this is a preventative measure, as you are aware in my update last week we have only had two positive cases in the academy during the summer term. However a large number of Salford schools have had rising cases and bubble closures. I can also reassure you that we have a robust system of controls in place to mitigate the spread of infection and reintroduction of Lateral Flow testing will support this further.

If you have any concerns around the contents of this letter please contact us on 0161 8866500 or email us at [info@oasismediacityuk.org](mailto:info@oasismediacityuk.org).

As always, thank you for your continued support.

Mrs Dillon  
Principal
