RE: Appointment of Student Leadership and Meeting

Dear Parent/Carer,

Firstly, I hope you and your child enjoyed your summer break.

I am sure you are aware during the final term your child took part in the election to become a Student Leader for this academic year, and it is my pleasure to announce to you that your child was elected. This is a fantastic opportunity and will open so many doors for your child and aid their future.

I would like to invite your child into the academy to complete their Agreement and attend their first meeting as a Student Leader.

Please could your child attend school on **Friday 2<sup>nd</sup> of September at 12:30pm via Main Reception.** The meeting should last no longer than 60 minutes. After the meeting students will be allowed to leave the academy via main reception.

I am excited for the journey your child will take as student leader and hope it allows them to excel in academy life.

**Please be advised should you or your child display any symptoms of COVID-19 or test positive please don't attend the Academy, I will follow up with your child should they miss anything.** Should you have any questions, don't hesitate to contact me.

Kind Regards,

Owen McGrattan

Pastoral Leader – Year 9  
Student Personal Development and Pride Coordinator
