

REF: OMC/Year10

DATE: 19/07/2024

Dear Year 10 Parents and Guardians,

As we come to the end of this academic year, I would like to take a moment to reflect on the remarkable journey our Year 10 students have undertaken. This year marked their first year at the GCSE level, a significant milestone in their educational journey, and it has been inspiring to witness their growth and determination.

Our students have worked incredibly hard towards their attainment, showing dedication and resilience in their studies. Their achievements are a testament not only to their own efforts but also to the unwavering support and encouragement provided by you, their parents and guardians, and the commitment of our dedicated teachers. Together, we have fostered an environment that strives for excellence and nurtures the potential within each student.

Throughout the year, our students have undergone various assessments that have challenged and stretched their capabilities. These assessments have been instrumental in identifying strengths and areas for improvement, guiding our approach to ensure each student is on the path to success. The collective effort and relentless hard work of everyone involved – students, teachers, and parents – have been truly commendable.

I would like to extend my heartfelt thanks to you for your relentless support and hard work. Your involvement and encouragement have played a crucial role in your child's progress and achievements this year.

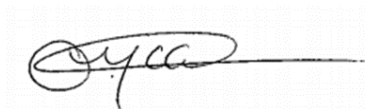

I am pleased to confirm that I will continue to follow Year 10 students into Year 11 as their Head of Year. It is an honor to support them through their final year of high school, and I am confident that together, we will continue to strive for excellence and ensure they are well-prepared for the challenges and opportunities that lie ahead.

As we now approach the summer break, I wish you and your families a restful and enjoyable time. May this break be a time for rejuvenation and preparation for the final year ahead. When we return, we will be ready to embark on the next phase of our journey with renewed energy and determination.

Thank you once again for your continued support. Have a wonderful summer.

Warm regards,

Mr Owen McGrattan.  
Head of Year 10
