

26th April 2023

Dear parents and carers,

Further to the update letter sent last week (click [here](#)) I want to give you more detail about the planned strikes taking place tomorrow **Thursday 27th April 2023**. Due to predicted staffing levels the academy will be *partially open* to year 11 students. Please read below to see how this affects your child(ren).

Thursday 27th April 2023

Year 11 students will attend the academy **at the normal time of 8.15**. Year 11 students are all expected to be in the auditorium ready to start the day at **8.25**. Attendance for year 11 students is compulsory, failure to attend will result in missed learning and an unauthorised absence. Please speak with your child to ensure they attend school, it is vital to be in school due to this being an examination year.

Due to staffing restrictions the Academy day will finish at **12.30**. We will provide a lunch as normal for students before they leave.

For those students wishing to stay in school to revise/complete coursework the Academy will remain open until **2.30**.

Some additional school places will also be provided to other students, if this affects you and your child(ren) we will make contact with you to make arrangements.

All other students are to complete online learning from home. This can be accessed below:

Children who have access to free school meals, we will provide a collection service. Students and families will be able to collect a packed lunch from the academy via the main reception area. For those in school a lunch service will still be provided.
