

Subject: Changes to rewards – January 2025!

Dear Parents and Guardians,

We are excited to inform you about a new rewards policy that will be implemented at Oasis Academy MediaCityUK from January 2025. This policy is designed to celebrate and recognise the achievements and positive contributions of our students, supporting them as they strive to achieve their "Dream Job" and develop into "Good People."

Our new rewards system will encourage students to excel both academically and behaviourally by recognising and rewarding motivation, effort, and a commitment to our Nine Habits. Below, find outlined the key components of the new policy:

Rewarding Academic Success

We want to ensure that students are recognised for their hard work and dedication in their lessons. Examples of academic successes we will include:

- Completing work to a high standard
- Students who have "beautiful work in beautiful books"
- Participation in revision sessions and after-school clubs
- Consistent focus and effort during lessons

Students will be able to earn **Achievement Points** for their effort and progress. These points can be accumulated for termly and yearly rewards, including the opportunity to attend an **End-of-Year Rewards Trip** to Blackpool Pleasure Beach. In addition to points, we will also reward academic achievements with **positive phone calls /emails/ postcards home, subject certificates, and celebration assemblies.**

Rewarding Behavioural Success

In addition to academic achievement, we will be recognising and rewarding positive behaviour that aligns with our academy's values and the "Nine Habits" we promote. Examples of positive behaviour include:

- Respectful and responsible conduct
- Wearing the correct uniform with pride
- Arriving to school and lessons on time
- Students carrying out our "Five to Start" and "Five to Finish" routines

Students who demonstrate these positive behaviours will receive **Achievement Points**, and those who consistently uphold the Nine Habits will be recognised with **badges** and **certificates**. We will also be implementing **form league tables**, which will rank forms based on their collective achievements and positive behaviour. The top forms across the school will earn a bespoke reward

Principal - Paul McEvoy

Celebrating Our Students

Throughout the school year, we will be holding **celebration assemblies** each term to recognise the outstanding academic and behavioural contributions of our students. Exceptional students will also have the opportunity to attend the **Principal's Tea**, where they will meet with the principal to celebrate their success. We are confident that this new rewards system will further enhance the positive, supportive atmosphere at Oasis Academy MediaCityUK, motivating students to be their best, both in and out of the classroom.

How to support your child

Parental support is key to student success, helping children stay motivated and confident. At Oasis Academy MediaCityUK, we use ClassCharts to help track and monitor student behaviour. ClassCharts allows you as a parent/carer to monitor your child's progress and achievements

Each child has been issued a unique access code. If your child has lost their code, their form tutor can issue them a new one. Using this code, you will need to create an account and enter the code here:

<https://www.classcharts.com/parent/login>

We are excited to introduce this new rewards policy and believe it will play a crucial role in celebrating our students' hard work and positive behaviour. Should you have any questions or require further information, please feel free to contact myself on connor.astle@oasismediacityuk.org

Thank you for your continued support.

Yours sincerely,

Mr Connor Astle
