Celebrating Diversity: Summer Breeze Festival Returns to Celebrate Salford's Portuguese Community

The Summer Breeze Festival will be returning to Ordsall Park on June 15, 2024. The event, organised by Lusoconnectionuk, is set to highlight the rich cultural heritage of the Community of Portuguese Language Countries (CPLP) while fostering community engagement and inclusion.

The CPLP Summer Breeze Festival, now in its second year, aims to celebrate the vibrant tapestry of cultures within the Portuguese-speaking community while embracing diversity and strengthening community ties in and around Salford. From 10:00 am to 8:00 pm, attendees will be immersed in a day filled with Portuguese heritage, food, music, and cultural performances.

Building on the success of last year's inaugural event, this year's festival promises to be even bigger and better. With a line-up featuring live music performances, DJs spinning eclectic beats, traditional food, and drinks from around the world, information stalls, services, a funfair, family entertainment, dance groups, and much more, there will be something for everyone to enjoy.

We are excited to bring the CPLP Summer Breeze Festival back to Ordsall Park for its second edition and would like to have to be an honour to have you joining us to celebrate our shared heritage and promote social inclusion in this event where food, music and fun come together in a local park.
