Dear parents and carers,

You may remember that back in September we wrote to you about Oasis Horizons, a new part of our provision where each young person receives an iPad for their time as an Oasis student so that they can access online learning wherever they are. I am pleased to say that the wait is almost over, as we prepare to receive and distribute the devices *next half term*.

What Happens Next?

Before everyone receives their device, we need to share with you the responsibility that your child is taking on, information about how we will help them, and the support that we are asking you to provide – all of which can be found via the school website [here](#).

You will shortly receive the Home User Agreement via your e-mail account. I would be grateful if you could please go through this carefully with your child, and sign this if you agree to the terms. In order for your child to receive their iPad this must be signed – we would really appreciate if you could do this as soon as you receive it. Any delays may result in the withholding of an iPad.

Once the home user agreement is signed, we provide your child with their iPad and keyboard case. They will be distributed on the following days during the school day.

Year 10 – 15th June 2021

Year 7 – 21st June 2021

Year 8 – 23rd June 2021

Year 9 – 25th June 2021

In preparation for these days can you ensure that your son/daughter has a bag (preferably a backpack) to use to carry their iPad to and from school.
