Dear Parents/Carers

Interfaith Day

On Friday 2nd February students will be able to engage with our Interfaith Day which will take place in normal lesson time throughout the day. Each year group will have the opportunity to see various religious artefacts and learn more about what the different faith groups (and non-faith groups) believe and how they live out that faith in everyday life.

This is a great opportunity for learning about our local community and those who may have a different outlook on life.

During the day there will be opportunities for students to find out more about different faith groups and participate in a question and answer session with a panel of faith leaders. In addition to this there will be a competition to produce a creative piece of work. The day will end differently depending on the year group: Year 7 and 8 will be taking part in a guided meditation to focus their mind whilst Year 9 and 10 will be listening to the story of a woman, Yvonne Bernstein MBE, who survived the Holocaust.

Many thanks,

Mrs Beswick
