

Date: 22 March 2021

Dear Parent/Carer,

Lateral Flow Home Testing

We are approaching the end of the lateral flow tests for Covid-19 in the academy for those who provided consent. Following this, students should self-test at home and we will be providing students with 2 boxes of home test kits.

Each box contains the items for 3 home tests and an instruction booklet. Your child will be provided with the new instruction guidance as a separate booklet when receiving their home test kits. The following NHS video guidance is also useful in explaining how to conduct the test at home - <https://youtu.be/S9XR8RZxKNo>. It is advised that a test is conducted twice a week. We suggest the test is taken every Sunday evening and Thursday evening prior to coming into the academy the following day.

You are required to report the result of home lateral tests using the Covid-19 test result website (<https://www.gov.uk/report-covid19-result>) regardless if the test result is positive, negative or void.

It is very unlikely, but if any clinical or non-clinical issues occur, this must be reported. Examples of clinical issues are a swab breaking in the mouth, bleeding, allergic reaction on using the test kit etc. If there is a clinical incident which led or has potential for harm, participants are advised to report it on <https://coronavirusyellowcard.mhra.gov.uk>. This is not for seeking immediate medical care, which should be sought through the usual route of contacting 111 or 999. Non-clinical issues would be for example a missing item for a test kit, in which case participants should contact 119 to report this.

These lateral flow tests are for students with no symptoms only. If your child develops symptoms at any time, such as a high temperature; a new, continuous cough; or a loss or change to their sense of smell or taste, they must immediately self-isolate, and you will need to book a test by calling 119 or visiting <https://www.gov.uk/get-coronavirustest>.

If your child's result to a lateral flow test or a PCR test booked due to symptoms is positive, please ensure you contact the academy via the email address – info@oasismediacityuk.org

Registered Office: 75 Westminster Bridge Road, London SE1 7HS

Proud to be a member of the Oasis Community Learning Trust of 51 academies nationally

Along with the other protective measures we are taking, these tests will help staff and students to remain in school safely. Up to one third of people who have coronavirus experience no symptoms. By testing we will help to stop the virus spread and help to keep our academy open as safely as possible. The test is voluntary, but I would encourage everyone to take it.

Yours sincerely,

M Dillon
Principal
