Parents and Carers

Please see important information below regarding return to school next week

Testing:

Firstly, a huge thank you to all parents who have provided consent for asymptomatic testing, this is a vital part in helping to mitigate the spread of the virus and we are currently finalising planning for the testing schedule.

For those students who have consented to testing we will be sending individual appointment times for the test to be conducted. **It is vital that students stick to the times given and enter through the main front reception** where they will be taken for their test. Once a negative result has been confirmed students will join their classes. Please look out for a text with your child's appointment time over the next few days. **Year 11 students will receive their appointment time by tomorrow morning at the latest.**

Road words:

Please be aware that major roadworks continue on Trafford Road and Broadway with significant disruption to the corner of Trafford Road/Broadway. This will impact on students who need to use Trafford Road entrances/exits so please speak to your child about road safety. I will also deliver this message to all students next week during assemblies

MCAS:

A quick reminder to all parents that all communication will now be through MCAS, if you haven't downloaded the app please do so as all information including Assessment reports, attendance details and letters will be sent this way.

As we come back together in the building I know the overwhelming majority of students will be very keen to return however, some may be concerned so please do get in touch with a Pastoral Leader for support.

As a staff body we are very much looking forward to seeing the students once again for face-to-face teaching and are very excited for the week ahead.

As always thank you for your continued trust and support

With kind regards

Mrs M Dillon

Principal

Principal - Marie Dillon
