

Date: 22nd January 2021

Dear parent/carers

Launch of My Child at School (MCAS)

I am pleased to inform you that we are now in the process of launching My Child At School (MCAS) to parents/carers. My Child at School (MCAS) allows you to view your child's school data, on your smartphone, or any internet enabled device, in real time. In summary, MCAS provides:

- Access to real-time Timetable, Calendar and Attendance and Behaviour data
- Improved paperless communication to improve contact
- Instant access to Published Reports and Letters
- Enables parental consent for your child including covid lateral testing.

Additional modules may become available going forward, further details will be shared in due course.

Parent/carers will receive details of their user name and password via email within the next few days. The MCAS Parent App can be downloaded from Apple or Google Play stores for use on iPhones or Android smartphones.

To support the implementation of MCAS we will also be issuing you with a Parental User Guide and a list of Frequently Asked Questions that may be useful to you.

Oasis Academy MediaCityUK is phasing out all hard copy correspondence and this will take effect as from w/c 22nd February 2021, any future correspondence will be through the MCAS app, text messaging and website only. This change will support the environment and contribute to reducing our carbon footprint.

Should you require any further information regarding MCAS please email the academy on info@oasismediacityuk.org

Thank you for your continued support,

Yours faithfully,

Steven Goodman

Director of Finance, Business & Operations, Oasis Academy MediaCityUK.
