

Date: 12/10/2021

Dear Parents/carers,

I write to you with great news following our recent OFSTED inspection. After undergoing a rigorous two day inspection by two senior Her Majesty's Inspectors (HMI) we are delighted to inform you that we continue to be a 'good' school. As you may or may not be aware OFSTED inspects schools every four years and judges a school's overall effectiveness using four different outcomes:

1. Outstanding
2. Good
3. Requires Improvement
4. Inadequate

We received the second judgement of 'Good' and I couldn't be any prouder of the staff, students, parents, carers, the local community and all of the different stakeholders who work with us to make our school the best it can be. This is an achievement that we should all be proud of and it is a huge achievement for the local community to have a good school.

There are some standout comments from the inspection including:

- "Pupils are proud of the diverse nature of the school"
- "They[pupils] feel well cared for, happy and safe"
- "Overall, pupils achieve well at Oasis Academy"
- "Pupils said that bullying of any sort is rare"
- "Pupils enjoy activities that build their self-confidence and resilience"
- "The curriculum is broad and ambitious"
- "School leaders prioritise reading"
- "Personal, social, health and economic education are a strength of the school"
- "The arrangements for safeguarding are effective"
- "They[pupils] spoke enthusiastically about initiatives that address prejudice and discrimination"

I want to extend my thanks to you for sending your child to our school and believing in our vision for an excellent education at the heart of the community. The report is an excellent read and there is so much that happens in our school that is not included and equally there are things that we are going to work on to make our school even better, but for now I want you to be proud of our school and the staff, and be proud that your child attends a 'good' school because it's what they deserve.

Principal - Marie Dillon
