Dear Parents/Carers

Covid Update - LFT

We are still continuing with surge testing at school. The Armed forces have been supporting us with testing this week and will continue to do so until the end of term. To date, no Covid cases have been identified through in-school surge testing, I am also pleased to report that no new Covid cases have been reported to us this week.

It is important to note that the rates of infection in Salford remain high with a number of schools in Salford having to ask students to isolate. Whilst I am very pleased that we have managed to avoid this I would ask for your continued support in following the Covid rules in place when your child is outside of school. This really has helped to keep the number of positive cases low and I am grateful for your support with this.

Year 8 students who been isolating will return on Monday 5th July

Year 7 students currently isolating will return on Tuesday 6th July

Upcoming Events:

Next week we will hold Year 7 Virtual Parents Evening on Thursday 8th July. Further details will be sent out to parents/carers of Year 7 students on Monday.

Please do ensure that you are able to attend the Parents Evening and if you have any issues regarding this do let us know.

End of term:

Covid 19 has restricted a number of plans this year including what would be our annual rewards trip to Blackpool. We do however have in-school rewards and celebrations planned for the final two weeks of term, more information will be sent in my end of term letter on Wednesday, 14th July, this will include dates and times for the start of the next academic year.

With regards to this half term please note the following:

- All students to finish at 2.30pm on Monday 19th July
- Tuesday 20th July will be the last day of term and details about the day will be included in the end of term letter

If the above poses a problem for you then please do get in touch with us.
