Dear parents/carers

Please see my update below:

Covid Update:

Due to the increase of Covid cases within secondary aged students in Salford, Public Health England have advised all students and staff to wear face masks in communal areas in and around the school. Staff/Students are also advised to continue taking twice weekly Lateral Flow Tests. Further supplies of LFT home testing kits will be distributed next week to those students that have consented to LFT's.

Covid Vaccinations:

You should have all now received either a hard copy or an electronic copy of a covid vaccination consent form (or both versions). All students aged 12 – 16 years had been offered this vaccination. Please return the form to school as soon as possible confirming if you do/do not consent. Year 7 students that are still 11 years of age as of 20th October will not be offered the vaccination this time round.

Y11 College open days:

Please see the following letter that provides information of the open evenings planned for the main local providers of post-16 education. We strongly encourage Y11 students to attend as many of these as possible due to the unfortunate cancellation of their college taster day last June.

Satchel:one:

Satchel:one is an online homework calendar we use at Oasis MediacityUK that your child should use to keep up to date and on top of all their homework. It gives you all of the information and tools to get involved and support your child with their homework. Please remind your child to inform a member of staff if they have forgotten their password.

Open Evening:

This year we are delighted to be able to offer parents and students of Y5 & Y6 the opportunity to join us for our open evening event on Wednesday 6th October from 4pm – 7pm. Please see our website for more information.
