

Date: 12th March 2021

Dear Parents and Carers

What a delight it has been this week to welcome students back into the building. They have made an excellent return and I could not be more proud of how maturely they have settled back into academy life, a message I have delivered through my assemblies this week.

Covid 19 update and Testing:

As you know we have been utilising Lateral Flow Testing (LFT) this week to ensure a safe return and I am pleased to report that all tests, staff and students have been negative. This is an important extra safety measure and I thank all parents who have consented to this. If you would like to agree to LFT is it not too late, simply contact the academy and we can arrange for your child to be added to the list. Again, the behaviour of every student tested has been exemplary.

Testing continues next week as all years will have their second and then third test. Please look out for text messages informing you of the day your child will have their next test. Once the three LFTs have been conducted in school we will arrange for home testing kits to be distributed. More information about this will follow next week.

With regard to Covid, may I take this opportunity now we are back in the building to remind parents about the importance of Covid control measures. If your child develops symptoms do not send them into school and please book a test through community testing centres. Please inform the academy on 0161 8866500 or email info@oasismediacityuk.org if your child has tested positive or has to isolate due to being a close contact. All other information and safety controls can be found by visiting our website.

Attendance:

Attendance this week has been excellent in all year groups, the academy attendance target is 96% for the term and please be reminded that attendance is once again compulsory. If you have any questions or concerns about this please contact Ms Barry, Assistant Principal for Attendance to discuss this further.

Upcoming events:

Please note that Immunisations for Year 9 will take place on the 23rd and 24th March, this has been organised through the School Nurse Service.

I will write to you again before Easter and share our termly Newsletter

With kind regards

Mrs M Dillon

Principal
