

15th January 2021

Dear Parents and Carers

I hope this letter finds you safe and well

Please find my weekly update below:

Online learning

We are now into our full timetable of remote teaching, all lessons are taught through TEAMS. The website has been updated to ensure it is more user friendly, here you will find an overview of our Remote Education Provision in addition to all other curriculum information, timetables and learning information. The above can be found under the Curriculum tab on the Academy website

If your child is experiencing problems getting online please do get in touch and support will be provided. Attendance to lessons is recorded and students are expected to attend all lessons.

One final teaching and learning update, as per Mr McEvoy's video message last week please ensure your child has access to our new online homework platform, Satchel One. To access either download the satchel one app or by logging in at www.satchelone.com/login. To sign in, click student, search 'Oasis Academy Media City' and click 'sign in with 365'. For support with signing in and accessing the parental app please see the school website for further details.

Well-being

I'm sure you all agree that looking after our well-being has never been more important. Whilst it has been a joy to see students engage in online lessons I am also very aware of the amount of screen time this involves so please do use the wellbeing tips and hints on the website.

Lateral Flow Testing:

We have been working hard this week to get LFT ready. Next week we will carry out a pilot process in school with staff and then we will be in a position to offer testing to students in the building. Please do read the separate letter which will be sent out on Monday which gives much more detail about this. Again, if you have any questions please contact us on 0161 8866500 or email info@oasismediacityuk.org

My Child At School (MCAS)

We will be launching a new parental App this half term, My Child At School (MCAS) which will allow for better communication between the academy and parents. Next week you will receive an activation letter by email which will need to be completed, including verifying your email address. After February half term all communication will be sent via the App including letters, texts, attendance, behaviour and progress information. The App is free to download to smartphones/tablets.

Registered Office: 75 Westminster Bridge Road, London SE1 7HS

Proud to be a member of the Oasis Community Learning Trust of 51 academies nationally

Free School Meals:

I am pleased to report that those parents eligible for Free School Meals will receive a voucher from next week.

Magic breakfast/Amazon –

We continue to work closely with Magic Breakfast and Amazon and from next week plan to re-introduce weekly delivery of breakfast items for families that would benefit from this during these unprecedented times. A text message will be sent so please reply should you wish to receive this offer.

Covid 19 reminders:

Please continue to follow the government guidance. Anyone with COVID-19 or a positive test result must stay at home for the full isolation period. This is because they could pass it on to others, even if they don't have symptoms.

If you develop symptoms of COVID-19, stay at home and self-isolate immediately. If you have a positive test result but do not have symptoms, stay at home and self-isolate as soon as you receive the results. Your household needs to isolate too.

With kind regards and sincere thanks for your ongoing support

Mrs M Dillon
