

16th February 2024

Dear parents/carers

As we come to the end of another busy half-term, I would like to take this opportunity to you update you on some of the activities we have been involved with this half-term and provide you with some important notices for the term-ahead.

On Friday 2nd February we held our Inter-faith Day. Students really enjoyed engaging in the day's activities and learning about different faith and non-faith groups.

We welcomed Y8 parents/carers to school on Thursday 15th February for Y8 parents evening. The evening was extremely well received where we achieved an attendance rate of over 80%.

Today we took part in an 'enterprise day'. Lessons were targeting to include public speaking, budgeting, and working to briefs. We had our very own careers fair where students had the opportunity to speak with employers, colleges or universities, training providers and some of our ex-students.

First day back arrangements - later start

All students will return to school after half-term on **Monday 26th February at 9.20am**.

The later start is due to teacher planning and staff training.

Please note there will be no breakfast club on Monday 26th February.

Y11 GCSE's

I have been really impressed with their positive attitude Year 11 demonstrated towards their latest mock exams. Please continue to encourage your child to attend after school interventions after half-term.

Blackpool Trip

We are in the process of organising an end of year celebration trip to Blackpool for the whole school as a reward for students for all their hard work, good behaviour and good attendance. Please see the attached letter for further information:

Mobile Phone/Electronic Device Procedures

We hope you will work with us to successfully implement our mobile phone policy from 26th February 2024. Mobile phones and other electronic devices, including headphones/airpods must not be seen or heard on the school site. Students are advised not to bring mobile phones into the Academy. If they are brought in, they must be switched off and stored securely in their bag. More information can be found in our earlier letter:
