### What's coming up?

- Unfortunately, the current closure at junction of Ordsall Lane and Trafford Road will remain in place for another 3 weeks, this is due to extra work we were not expecting. We apologise for the delays in this area.

- The left turn from The Quays onto Trafford Road will be closed to complete work on the footpath in this area
- Access onto Trafford Road northbound, will be via Broadway.
- This will be in place for approximately one month
- The right turn will remain open.

### **April**

#### Resurfacing

- The resurfacing from the Iron Bridge to the junction of The Quays is due to start early April.
- Communications will be sent out next week with full information and to invite you to some virtual meetings to talk to the team.
