Dear Parent/Carer,

**RE: FREE EXTRA TUTORING FOR YOUR CHILD**

As you may be aware, your child has been involved in a programme of high-quality maths tuition delivered by the Tutor Trust – with a focus on the transition between year 6 and year 7. I am happy to confirm that your child shall be continuing to receive maths tutoring now that they have made the step-up to secondary school. This will give your child continued support in maths, but also allow the opportunity for them to be supported in year 7 by a tutor that they have already developed a relationship with.

Tutor Trust is an award-winning charity with a strong track record of partnering successfully with schools. Currently, Tutor Trust is a delivery partner of the Government's National Tutoring Programme. This means the school can access tutoring at very low cost (please note, there will be no charge at all parents/carers).

The charity's tutors are, in the main, bright, talented students at local universities and, as such, they act as great role models too. They will support pupils to achieve, building on the excellent work that our classroom teachers do. You can read more about Tutor Trust at [www.TheTutorTrust.org](http://www.TheTutorTrust.org)\*. All the tutors have, of course, an enhanced DBS check.

The chance to have a 'private tutor' is a great opportunity for your child to thrive academically and to grow in confidence. We hope you will encourage your child to attend all the sessions and to engage positively with his/her tutor.

In order for the tutoring to have the great results we all hope for, your child will have 15 one-hour tutoring sessions in total. The content and the goals of the tutoring programme will be tailored to the needs of your child by the school's teaching staff and the tutors.

***Below are some key details about the tutoring your child will receive:***

**Tutoring subject:** Maths

**Location of tutoring:** In person at school

**Start date:** WC 26<sup>th</sup> September 2022

I hope you will welcome this partnership with the Tutor Trust and the extra boost it will give to your child's learning and self-confidence. If you are not willing for your child to have this tuition, please let me know by 23<sup>rd</sup> September. If you have any questions at all, please feel free to get in touch with me at [Kerry.mcminn@oasismediacityuk.org](mailto:Kerry.mcminn@oasismediacityuk.org).

Yours sincerely,

Kerry. McMinn
