

Date: 10th March 2023

Dear Parents/Carers,

I am writing to share some good news and update you with some information as we head towards the Easter holidays.

We are proud to say....

- Our year 9 team won their cup game 8-0 – congratulations!
- Over 60 year 10 students attended Bolton university and did our Academy proud learning about careers.
- We organised a reward trip for our students and they created some amazing pottery.
- Our Debate Mate teams won competitions in both Key Stage Three and Four

We are wearing our uniform with pride!

Last week we launched our uniform store and it has been great to see our students wearing our uniform with pride. This will continue to be in place at the start of every school day. If your child has borrowed uniform please encourage them to return it once you have sourced a replacement. Uniform can be purchased from the Salford Precinct or you can access our uniform store in the Hub. If you are concerned about the cost implications of providing uniform, please contact us at school and we are happy to support with this.

Next week we will be continuing to ensure our students are always dressed smartly and professionally, we think this is important in preparing them for the work place. With this in mind please can you remind your child to:

- Only small studded ear-rings are allowed – one per ear max.
- Coats are not worn when inside the building.
- False nails and nail colouring are not allowed.
- If skirts are worn they need to be an appropriate length, we advise no higher than the middle of the thigh.

Strike days

The National Education Union has declared further strike action, which will take place on Wednesday 15th and Thursday 16th March. Due to predicted staffing levels the academy will be partially open to some of our students, further information regarding these days will be sent to you as soon as possible.

E-Scooters

Please be aware that we cannot allow students to bring e-scooters into school under any circumstances. We cannot take responsibility for them or condone their illegal use. If students do bring e-scooters into school, we will be in touch to ensure they are left at home. Electric scooters are classed as 'powered transporters' by government and therefore meet the same requirements as motor vehicles as in they can only be used on roads and require a license and insurance.

Year 11

Year 11 exams are fast approaching and there are only three weeks remaining before the easter holidays. In addition to after school revisions we will be holding revision sessions throughout the holidays. A timetable of these sessions will be sent to you in a separate letter. Please encourage your child to attend extra revision sessions after school and during the holidays – this will make a difference.

Upcoming Events

- 21st March – Y9 on-line options evening event via teams (more information to follow)
- 30th March – Y9 parents/carers evening in-person 3.30pm – 6pm
- Monday 27th March – Friday 31st March – school will finish at 2.30pm everyday this week

Please do not hesitate to contact us at any time if you have any further questions. As always, thank you for your continued support.
