Dear Parents and Carers

Please see my update below, I will send a more detailed letter in the next few days.

Return to school-Government announcement:

The Government announced on Monday the staggered return of all students from Monday 8th March with attendance to school being mandatory. They also explained that re-opening will be supported with testing of students. It is extremely important that you complete the parental consent tick box 'consent for Covid-19 Testing' via My Child At School (MCAS) so we can add your child to this programme. This will help immensely with planning for return.

My Child At School login details have been sent out to all parent/carers previously. Please contact the school on 0161 8866500 or email info@oasismediacityuk.org if you have not received these details. More information around My Child at School can be found on the school website.

Regarding plans to re-open we are currently working through the logistical plans of this and I will write to you again early next week with more information about what this will look like for your child. I am conscious that parents and carers will need as much notice as possible about the plans for return and I thank you in advance for your patience as it is vital that plans in place are robust to ensure a safe reopening for all.

Year 11 GCSE grading:

We are still awaiting information from Ofqual regarding the grading system to be used for GCSEs this year. Again, as soon as this is released I will write to Year 11 parents separately with the detail of the plans.

Parent Pay and uniform:

In preparation for return can I please remind parents and carers to ensure money for break and lunch is topped up on your child's account ready for their return. We will be returning to full uniform so please can you ensure all uniform is ready and fits.

Nicks Schoolwear will open on the 3rd and 5th of March from 11.30am – 2.00pm if additional uniform items are required.
