Subject: Year 10 Attendance Challenge: "In to Win" – Starting Next Week!

Dear Parents and Guardians,

Attendance in Year 10 is crucial, as every lesson missed impacts learning, progress, and confidence in your child's subjects. Regular attendance supports a strong foundation for GCSE preparation, helping students stay on track academically. Encouraging good attendance also builds essential habits that contribute to long-term success in education and future careers.

To help motivate our Year 10 students, we are excited to announce the launch of our Year 10 Attendance Challenge: "*In to Win*," which begins next week and will run until Christmas!

This initiative is designed to encourage and reward excellent attendance among our Year 10 students, with exciting weekly prizes up for grabs:

- **100% Attendance Reward:** Any Year 10 student with 100% attendance from Monday to Friday will receive a special "*skip the queue*" pass, allowing them to jump to the front of the lunch line on Fridays.
- **Weekly Raffle for 100% Attendance:** Students achieving at least 100% attendance from Monday to Friday will be entered into a raffle for the chance to win either a JD Sports voucher or a Just Eat voucher each week.

The students will also have a say in what prizes they would like to win. A student survey has been sent round asking the students what prizes they would like to be rewarded with for good attendance.

Please encourage your child to participate in this challenge by maintaining strong attendance. We hope this competition will inspire positive habits that contribute to academic success and a rewarding school experience.

Thank you for your support, and we look forward to celebrating the achievements of our Year 10 students!

Best regards,

Mr Connor Astle
