

17th May 2022

Dear Parent/Carer,

Y10 end of year assessments will take place this year from Monday 14th June 2022 to Wednesday 29th June 2022. The assessments will be GCSE level questions and will show the progress made this academic year. Results will be shared with parents/carers before the end of the academic year.

All examinations will take place in the main hall and will give the students their first real experience of how their GCSE's will be next summer. If your child has been identified as requiring additional support, we will do everything we can to ensure this provision is met. It is really important that students take these examinations seriously as these results will be used to inform their intervention requirements for Year 11. These results will also be used to frame careers conversations and start thinking about what courses/colleges to apply for in year 11.

Good attendance throughout this exam period is vital. Wherever possible please ensure appointments are booked outside the school day.

Please ensure your child brings their iPad in to school every day as this will be their main revision resource.

Please find below a link to the examination timetable.

We do not expect any changes to these times, but should this occur, we will update the timetables on the website and inform students.

Should you require any further information please do not hesitate to contact me on 0161 8866500
