

24th June 2024

Dear parent/carer,

As your child is coming to the end of their first round of Year 10 mocks, we will be offering some after school intervention for the remainder of this academic year. This intervention will begin on Monday 24th June and pupils will be invited to attend a range of sessions after school by their subject teachers.

These intervention sessions will be made up of small groups and our teachers will be delivering the tutoring. Our staff know our curriculum best and each session will focus on a particular core skill or concept to boost the students results. This kind of tutoring would cost around £40 per hour outside of school, so we are very fortunate to be able to fund it for you and your child.

The sessions will typically run from 3.00-4.00pm and you will receive a text message to let you know which subjects your child is expected to attend. Staff will log attendance on an intervention tracker and achievement point will be awarded to all attendees.

Can you please support the school to ensure your child attends their sessions.

The timetable below shows which subjects will be running and on which day. If you have any queries, please email me: Jennifer.mcsparron@oasismediacityuk.org

Kind regards,

Miss McSparron
