

REF: SC/RS
SUBJECT: BTEC 2021 EXAMINATIONS
DATE: 15TH JANUARY 2021

Dear Parents,

RE: BTEC Examinations

I am writing to you today to share some information we received from Pearson BTEC and the Department for Education (DfE).

On Wednesday the DfE announced the cancellation of all February and March 2021 BTEC examinations. Pearson are working closely with the DfE to put arrangements in place for all students who have been unable to take their exams to ensure they are not disadvantaged. At present, we have not been given any further information but we have been told that all students expecting to complete their course this year will be able to gain their BTEC certificate as normal. Please do not worry, we will do everything in our power to ensure your child receives the grade they deserve in the summer.

Once we receive further information from the DfE, the exam boards and Ofqual will write to you again to confirm the arrangements for summer 2021. In the meantime, if you have any questions please do not hesitate to contact the academy or the exam boards student support links below:
