Dear Parent/Carer,

RE: Year 11 Information and Parents evenings

I am delighted to invite you to our upcoming Information Event and Parent's Evening, both of which will take place next week. These will provide important information about some key changes to GCSE examinations this year, about your child's next steps in to further education or training and about your child's progress this academic year.

Information Event

The first event will take place between **5.15pm and 5.45pm on Wednesday 1st December**. This event will take place online via Microsoft Teams. The link to this will be sent out on the day of the event. Please join the event 5 minutes before the start.

The evening will have a focus on the following information:

1. Principal's address
2. 2022 - Exams Update
3. What we have been doing so far and what will we be doing next to support your child on their journey to success.
4. Career pathways and next steps
5. How to keep in the loop

Parent's Evening

The second event will take place between **3pm and 6pm on Thursday 2nd December**. This event will take place online via a platform called SchoolCloud. The link to book individual appointments with classroom teachers will be sent on Friday 26th November. This is an opportunity to speak to each of your child's teachers about their attitude to learning and progress, as well as gaining an understanding of how to support your child in the forthcoming months as they prepare for their GCSE's.

I look forward to welcoming you to both evenings and do hope that you are able to attend. If for any reason you are unable to attend, Wednesday's information evening will be recorded so you can catch up. Please do not hesitate to contact us at any time if you have any questions or need further assistance.

Yours sincerely
