

Dear Parent/Guardian,

This week an assembly was shown to your teen launching the NCS programme. Usually this would be done in person but due to limited availability, we have shown the students our pre-recorded assembly which has also been sent to you as well.

NCS is an opportunity that helps 15–17-year-olds (Year 11 and 12) to build skills for work and life, take on new challenges, meet new people and make a difference in their local community. 750,000 young people have already completed the programme and are out there reaping the benefits of taking part.

The sign-up process is just three short steps away.

Step 1: Choose your hub site - visit <https://wearencs.com/> to find a location for your programme. This is where you will be picked up from and dropped back to. You will go to a nearby residential centre from here.

Step 2: Choose your programme –

Your young person will have the option to choose from the following themes.

Live It Up: Getting stuck into adrenaline filled activities. Get life hacks you didn't know you needed and achieve things you didn't think were possible. All while building your confidence, independence and making new mates along the way!

Change It: Your chance to change your community, you'll channel your passion into making a difference and creating change. This action-packed week kicks off with adrenaline fuelled activities before helping you discover how to leave a legacy.

Boss It: Turn your hobby into cash, discover careers you didn't know existed, and boost your online professional profile. Get the tools and connections you need to take control of your career and earn the success you deserve.

Your nearest hub site to your school is Manchester.

Why sign up to NCS?

There are many benefits of NCS, including:

- Enhancing their CVs;
- NCS enhances college applications;
- NCS is recognised by UCAS and will benefit their personal statements;
- NCS improves confidence and offers skills essential for starting work;
- Your teen can gain new skills and start to become more independent;
- NCS allows your teen to volunteer to help their local community;
- Allows them the chance to stay away from home.

To complete your application to NCS, visit <https://wearencs.com/>. You will then be emailed a medical form which you should complete and return to us. NCS does have a fee attached of **£95**, so this will also need to be paid to conform your place on the programme. **Please note:** if your child is entitled to free school meals or is a pupil premium student, then they can receive a bursary and will get a place on programme for **FREE**.

If you have any further questions, please visit the FAQ page on our website or call 0800 197 8010.

We are looking forward to supporting your child on their NCS experience.

Best Wishes,

Ingeus NCS Recruitment Team
