

Date 27.05.21

Dear Parent/Carer

As students move into their transition into post 16 education, we look to continue to support them. Below you will find a useful dates, links and information that we hope you will find useful in the coming months to ensure that students remain on their pathway into their dream job. The overriding message I can give is to please stay in touch. We ask that students tell us their intentions for enrolment on results day and, if things have not gone as they hoped in getting into college, to let us know as soon as possible so we can support them to the best of our ability.

Open days and college support

Salford College:

Please note that new student open days at Salford are specifically for the college site that students have applied to.

New Student Days

New Parents Evenings

Eccles 28th June

Same day 5-7pm

FutureSkills 29th June

Same day 5-7pm

City Skills 30th June

Same day 5-7pm

Worsley 1st July

Same day 5-7pm

Pendleton 5th July

Same day 5-7pm

Bridging Packs (Pre enrolment packs containing work to prepare them for their chosen course) are being emailed to students to complete on Monday 24 May. Enrolment will begin Wednesday 25 August 2021.

Loreto and Xaverian College

Please note that for Loreto and Xaverian new students open days, you should only attend on the date on which students have been invited. Students will have a letter or email direct from the college stating this.

Loreto College

New student open days:

7th and 8th July

13th and 14th July.

Students can access pre-enrolment activities for the college here:

<https://enrol.loreto.ac.uk/>. They will need to be in receipt of their student reference.

Xaverian College

All offer-holders have been added to CEDAR (the colleges applicant/student portal) along with their provisional subject choices and sent out log in details via email. On CEDAR, they can check their provisional courses are listed correctly, request to change subjects, get access to our subject taster videos, find out about entry/course requirements, there's some information on Our Pass as well as the New Students' Days. Please encourage students with an offer from Xaverian to login to CEDAR for further information.

We are also:

- Holding Year 11 New Students' Days for offer-holders 5th – 7th July which will include:
 - Three lessons (picked by the students)
 - Tutorial/course confirmation
 - High Achievers' sessions (including Oxbridge and Medical Professionals)
 - Drop-in subject advice
 - Careers talk/drop-in
 - Bookable ALS/Pastoral appointments/drop-in

Information regarding the New Students' Days will be sent directly to students with an offer at Xaverian, but feel free to encourage them to check their emails after half-term for details.

- Producing Preparation for Year 12 documents for students after half-term. These will be released directly to students, but again feel free to encourage them to check their emails for these after half-term.
- Each subject area will have their own unique document, and these may include:
 - Tasks to undertake over the summer
 - A list of books, articles, films, tv shows or podcasts that students can engage with to broaden their knowledge of the subject before starting
 - Course content and the make-up of the curriculum over the course of the two years

Character development

We have recently offered students two opportunities for mentoring:

- The National Citizen Service which they can sign up for here: <https://wearencs.com/>. There is a £50 cost to this programme (discounts can be negotiated subject to circumstances) but it will be an excellent addition to student's CVs.
- Migrant Leaders (<https://www.migrantleaders.org.uk/>) is a programme which offers students a mentor from leading business who will support them through college and university. To be eligible students need to live in a household which has below national average income, live in a household where there are no university graduates or be a 1st or 2nd generation migrant. Students will need to be 16 to apply.

Growing our Alumni

We have recently taught students about personal branding and a professional online presence. We are encouraging students to start a LinkedIn profile once they are 16 to begin a network in the field of their dream job and to join our Academy Alumni group here: <https://bit.ly/3vaFf8c>. We hope that in future they will play their part in inspiring the next generation of Oasis Academy:MediaCityUK students.

Year 11 Parent/Carer Letter – Life After School

During these difficult and different times young people have now completed this stage of their education, and whilst there is still some uncertainty, there are new and exciting times ahead. Young people are likely to have an offer of further education from a local college or 6th form or they may be seeking an apprenticeship or other work based training programme. Whichever pathway is next, they are also likely to be seeking a part time job to earn some additional cash. To help your young person, below is a list of key documents they will need in order to move into further education, apprenticeships or a part time job.

Documents needed	How to get this
<p>ID – Ideally a Birth Certificate and/or valid Passport – this needs to be in date and can take a few weeks to be returned once an application is submitted</p>	<ul style="list-style-type: none"> • Birth Certificate: If you need a replacement and were born in Salford you can call into Swinton Registrar Office, Chorley Road, Swinton, M28 5FJ Fee: £20-£28 • Passport: Your young person will need to collect an application form from the Post Office or complete the online application https://www.gov.uk/apply-renew-passport . They will need a birth certificate before applying for this.
<p>Bank Account - Most banks will offer a 16 year old a basic current account. It is often easier for them to open an account where their parent/carer already has one. However, with the right ID any bank should be able to help. This needs to be open before a young person starts college, an apprenticeship or employment.</p>	<ul style="list-style-type: none"> • Drop into your local bank and ask for the details and key documents needed to open an account • Make sure you have all the documents needed and if not, make arrangements to get them ASAP • Then make an appointment at the bank to open an account, this usually only takes 20-30 mins.
<p>National Insurance Number – This is usually sent to every young person just before their 16th birthday. Cards are no longer sent, just a letter with the full NI number</p>	<ul style="list-style-type: none"> • Ensure the letter with the NI number is kept in a safe place as this will be needed for any employment • If your young person has lost the number/letter or did not receive one you can request a new one via https://www.gov.uk/lost-national-insurance-number
<p>Supporting school letter for ID - If your young person does not have any ID and is struggling to get a birth certificate or passport, then you can request a supporting letter from their last school they attended</p>	<ul style="list-style-type: none"> • The school staff being asked to provide this should know the young person well and detail the length of time they have known the young person and also at which home address • This can often help when trying to open a bank account, however cannot be used for passport applications.

<p>CV – Some employers will ask your young person for an up to date CV. This needs to include their education history as well as any work related experiences. This does not have to be formal work experience, it could also include projects they have completed in school and any work shadowing, trips to businesses</p>	<ul style="list-style-type: none"> • See your school based Careers Adviser who will arrange a time to see you and pull this document together. • This needs to be stored somewhere safe and accessible, so it can be used after your young person has finished school. • We would advise they email to their personal email account and also send a copy of it to a parent/carer.
<p>Email address – Every young person needs a professional email address. Young people can sometimes have a silly email address that is not suitable for employers to have.</p>	<ul style="list-style-type: none"> • Create a new one using one of the main accounts such as Hotmail, Gmail, Yahoo etc. • Make sure your young person makes a note of the login details, as these can often be misplaced and can cause issues when trying to retrieve emails from businesses.
<p>Social Media – Most employers can and will check an applicants Facebook/Twitter accounts either before, during or after a person has started working for them.</p>	<ul style="list-style-type: none"> • Please ensure your young person has an appropriate profile picture and ensure their privacy settings are appropriately set. • Young people should avoid putting any negative/offensive status' or comments.
<p>Interview Clothes – Young people should dress appropriately for any college, apprenticeship or job interview. For most cases it should be formal dress, however there are some cases where a more casual dress is acceptable, so it is best to check with the organisation beforehand.</p>	<ul style="list-style-type: none"> • If your young person does not have any formal clothing that is suitable, they could attend in their school uniform. This should be clean and smart. • If they need funds to buy interview clothes, please ask them to speak to their school or careers advisor who maybe be able to advise on who can help. • Alternatively contact employability@catch-22.org.uk
<p>Our Pass – this is a free bus pass for all 16 and 17 year olds (once they have left school)</p>	<ul style="list-style-type: none"> • Applications can be made online https://ourpass.co.uk/ or by going to your nearest bus station. • ID will be required and a £10 admin fee for the year
<p>Colleges</p>	<ul style="list-style-type: none"> • Loreto college 0161 226 5156 • Xaverian college 0161 224 1781 • City Skills 0161 631 5164 • Eccles College 0161 631 5108 • Future Skills at MediaCityUK 0161 631 5110 • Pendleton Sixth Form College 0161 631 5020 • Worsley College 0161 631 5116 • https://www.salfordcc.ac.uk/ • The Manchester College 03333 222 444 • Trafford College 0161 886 7070

Please see <https://www.salfordcc.ac.uk/> for the latest enrolment information from Salford College for 2021 school leavers.

Pre enrolment learning information/tasks can be found <https://www.salfordcc.ac.uk/pre-enrolment-tasks/>

For other colleges please visit their websites for the most current information.

* Please note this is not an exhaustive list and more information can be found at Find My Future - Salford City Council: <https://www.salford.gov.uk/jobs-skills-and-work/find-my-future/>

Oasis Academy MediaCityUK Study Leave Programme 2021

A study leave timetable can be found following the link below:

[https://www.oasisacademymediacityuk.org/uploaded/personal/3040/Oasis Academy Study Leave timetable 3 week version.pdf](https://www.oasisacademymediacityuk.org/uploaded/personal/3040/Oasis_Academy_Study_Leave_timetable_3_week_version.pdf)

If you have any concerns or worries about your son / daughter's future plans, then please don't hesitate to contact our Careers Leader, Calum Berry, email: calum.berry@oasismediacityuk.org before the summer holidays commence on the 20th July or after staff return on 6th September. We will do all we can to support your son / daughter to secure an offer from a college, sixth form or training provider of their choice. However, if they do leave without an offer or change their mind over the summer then you can contact Connexions at salford@careerconnect.org.uk or call 0161 393 4500 to make an appointment to see/speak to an advisor or contact them on [Facebook](https://www.facebook.com/connectmycareer) (<https://www.facebook.com/connectmycareer>) or [Twitter](https://twitter.com/connectmycareer) (<https://twitter.com/connectmycareer>). They can provide advice and guidance and support to help your son / daughter make a positive decision about finding the right destination. Please also note that the Local Authority have a statutory responsibility to track every school leaver and their post-16 destination, this may result in the local Connexions service making contact with you/your young person between August – October. If your young person needs advice or support at that point arrangements can be made to see an advisor.

Many thanks

Calum Berry,
Careers Leader
