

13th November 2023

Dear Parent/Carer,

RE: Year 11 Parents' Evening

I am delighted to invite you to our upcoming parents evening which will take place in person between **3.30pm and 5.30pm on Thursday 30th November at Oasis Academy MediaCityUK.**

As you are aware, this year is an incredibly important time for our year 11 students as they prepare to take their upcoming GCSE and vocational examinations. We strongly recommend you attend as this is your opportunity to discuss your child's recent mock examination results, their predicted grades, their behaviour and attendance as well as their contribution to academy life. This will also be an opportunity you to discuss any concerns you may have or to obtain any additional information you may require.

As an academy, we are very proud of our students and want to ensure they have excellent support to reach their full potential. The evening will allow parents to support their children by understanding their progress and how they can target their revision effectively. There will also be careers, college and employment representatives in attendance.

Although this parents evening is face to face, we are still using an external system called School Cloud to book individual appointments times. Please book in 6 minute appointments with all of your child's teachers. You have the freedom to book the times you wish, however this is on a first come, first serve basis. The system will be open to make appointments from Monday 16th November until 1 hour before the start of the evening on the 30th November 2023.

Appointments can be made via clicking on the link below

Yours sincerely
