

18th May 2022

Dear Parent/Carer,

Year 7 – 9 end of year assessments will run from WC 14th June 2022 to Friday 1st July 2022. Exam papers have been written to assess learning across the academic year in all subjects. Students will also be retested on their basic literacy and numeracy as they were at the start of the year to allow progress to be tracked. Results will be shared with parents/carers before the end of the academic year. If a student is entitled to additional support, we will do everything we can to ensure this provision is met.

It is really important students take these seriously and these results will be used to inform setting and intervention for the next academic year.

Good attendance throughout this exam period is vital. Wherever possible please ensure appointments are booked outside the school day.

Please ensure your child brings their iPad in school every day, fully charged as these are a vital source of revision resources. Some of their assessments will also take place on their iPads.

Please find below a link to the assessment timetable.
