SUBJECT: MFL CURRICULUM

Dear Parent/Carer,

I am writing to inform you of the exciting changes to our MFL curriculum coming into effect from the Summer term.

When students return to school in April, they will learn French instead of Spanish. In year 8 and year 9 they will spend half of the year learning Spanish and the other half learning French.

This is an exciting opportunity as it allows students to get a taste of more than one culture in their languages lessons as well as have the opportunity to get two qualifications in Modern Foreign Languages instead of just one. This will increase students' work and study opportunities when they leave school, as well as offering various other benefits.

Next half term we will begin looking at French pronunciation, introducing ourselves, talking about our age and birthday, before discussing our hobbies and sport before breaking up for summer.

Well done to all year 7 for a fantastic start to Spanish!

Yours sincerely

Mr J Adshead
