

1st December 2021

Dear Parent/Carer,

RE: Year 7 Parents' Evening

I am delighted to invite you to our virtual parents evening which will take place between **3:00pm and 6.00pm on Thursday 9th December 2021** via the following link [SchoolCloud - Oasis Academy MediaCityUK](https://www.schoolcloud.co.uk).

For this parents evening we are using an external system called School Cloud, which is a web browser system and can be used on PC, tablet and mobile phone. Once you click on the link, you will be asked to enter your details along with your child's name and date of birth. From here you can book strict 5 minute appointments with all of your child's teachers. You have the freedom to book the times you wish, however this is on a first come, first serve basis. Please see the how to guide for further information on how to book your appointment slots.

Appointments are open from today until 30 minutes before the start of the evening on the 9th December 2021.

On the day, you simply log into the School Cloud and the system will automatically connect you to your child's teachers at your allotted times. The evening will be an excellent opportunity for you to discuss your child's progress so far this year, both in school and online.

The evening will have a focus on progress and it is a very important opportunity for you to review all areas of your child's learning, achievement, behaviour, attendance and their contribution to academy life. This will also be an opportunity for you to discuss any concerns you may have or to obtain any additional information you may require. As an academy, we feel that is very important to work in partnership with parents so that we can support every student to achieve their potential both academically and socially, so that they are able to make excellent progress and have the best opportunities. All students are set challenging targets and this will be an excellent opportunity for you to discuss both targets, progress and ways that we can work together to ensure your child achieves their very best at this crucial stage of their education. Please do not hesitate to contact us at any time if you have any questions or need further assistance.
