

Date 09th May 2024

SUBJECT: iPad Collection

Dear Parents or Carers,

As your child's journey with Oasis Academy MediaCityUK is coming to an end, it is now time for the academy to request the iPad, case, and charger we provided your child with to be returned to us.

We are offering 3 different times this equipment can be returned so that students can choose the best time for themselves during the exam season.

We ask students to only return equipment during the times provided so that we can keep an accurate record.

The dates and times are as follows:

Thursday 6th June 2024:

11:15am - 11:35am (immediately after the English exam)

Monday 10th June 2024:

11:00am – 11:20am (immediately after the Mathematics exam)

Friday 14th June 2024:

2:15pm – 2:35pm (immediately after the Science exam)

2:45pm – 3:00pm (immediately after the Combined Science exam)

If the academy has issued this equipment to your child and it is lost or stolen, you need to contact the academy as soon as possible so that we can find a resolution.

If the academy has issued the equipment to your child and it is not returned without any reason or correspondence from parents or carers, then the academy will have to withdraw your child's invitation to prom and request the price to replace the missing equipment.

Yours sincerely,

Mr J Bezzina

Horizons Champion
