

Dear Parent/Carers of Year 11 students,

We hope this letter finds you well after a safe and happy Easter holidays.

Unbelievably, the GCSE's will begin on the 7th May. This is two weeks away. As mentioned before the Easter holidays, we will now write you frequently, so that together, from home and in school, we can support our Year 11's to be really successful in their GCSE's.

If you would like to know any more, or inform us of any changes at home or seek more support, please do get in touch with either Miss Waldron Brooke.waldron@oasismediacityuk.org or Mrs Hall on Maria.Hall@oasismediacityuk.org (Year 11 pastoral leaders), or Mrs Gorman (Deputy Principal) on Joanne.Gorman@oasismediacityuk.org

Rewards: Keeping our Students motivated

Year 11 students will be able to be awarded achievement points in class to spend on our class charts shop, it is up to them to use them we have prizes such as snacks, technical items, and gift cards. They will also be entered into a prize drawer for prom prizes such as; a ride in a limousine to prom, free accessories, gift vouchers for dresses/suits, and free prom tickets.

This week, we are also re-launching raffle tickets. Students will be given raffle tickets for good work, excellent attendance and a great attitude to learning. Weekly, we will draw raffle tickets. Prizes include, shopping vouchers (JD, love to shop and Amazon), as well as other edible prizes.

Year 11 students also have the opportunity to go to Blackpool on Friday 3th May 2024. The criteria to be able to go on this trip is no more than 30 negative behaviour points and a minimum of 94% attendance. Both measured from the 9th January 2024.

Finally, year 11 students will also be invited to their end of Year 11 prom on 12th July 2024. The criteria to be able to go on this is to complete 100% of their exams, attend revision classes and return their iPads **We do want as many Year 11 students to be able to go to Prom as this is a 'right of passage' moment. However, for students who repeatedly fail to follow academy expectations, unfortunately, they may not be invited to attend.

Upcoming events:

This week, we have a Health and social mock exam on Tuesday, and English and Maths walking talking mocks on Wednesday and Friday.

With so few days left before the GCSE's, it is vital students attend every day.

How to support your child at home:

We are only 6 academic school weeks away from the start of the GCSE's, so it is vital now that students prioritise their revision over other activities outside of school. There are lots of things you can do at home to support your child (ren) during their crucial last few weeks in secondary school.

1. Ensure they attend school as often as they possibly can
2. Understand there will be times when they may be stressed
3. 'Nag them' little and often
4. Help the prioritise their education in the coming few weeks over other things which make take their time (There is a huge number of ways students can access their revision from home, using both their iPads and revision guides we have provided. If you need some specific support with this, just let us know and we can show you). One key place to start is: www.getrevising.co.uk. We have supported our Year 11's to create bespoke revision timetables, so you can check they are following these: An example:

5. Let us know if there is anything happening at home that may impact

on their learning so we can offer support

6. As an academy, we also offer free access to online revision guides. A letter regarding these has gone out previously, but please also find again at the very bottom of this letter.

Afterschool revision: We have a comprehensive afterschool revision programme. ALL students are welcome to attend as many sessions as they like. However, some students have been targeted for specific sessions. If this includes your child, you will have been contacted separately regarding this. Please can we ask for your support in ensuring students do attend these sessions.

Final GCSE timetable:

*please note, your child(ren) will not sit every examination listed below and this is the full list. Your child(ren) will only sit the exams for the qualifications they opted to take. Individual timetables will be sent to you later in the year
** Exams highlighted in yellow represent occasions where there are two exams at the same time. If your child(ren) studies both courses, students will sit both exams on that day. They will sit one, have a short break and then sit the second paper.

The GCSE timetable can also be found on our website at: [Y11 Summer Exams \(oasisacademymediacityuk.org\)](http://oasisacademymediacityuk.org)
