

Date 28.05.21

Dear Parents/Carers

It is hard to believe that we have reached the end of another half term. Please see below my update

### **Covid update:**

I am pleased to report that we have only had two positive cases this half term which has meant a lot less disruption for students. Testing kits have been distributed to students this week so please do continue to support our control measures over half term with twice weekly testing. If you do need to report a positive test over half term, please inform the academy on [info@oasismediacityuk.org](mailto:info@oasismediacityuk.org). Face covering for students will continue to be mandatory after the half term break and can I thank you all for your continued support with this. In addition, please may I remind all parents to ensure students continue to follow the government guidance during the half term break to limit the transmission of Covid-19.

### **Laptop return**

You should have all received a text earlier last week asking your child to return any laptops and chargers they may have loaned from school during lockdown.

If your child has not yet returned their laptop and charger please return it back to school as soon as possible. This is in preparation of distributing iPads in June.

### **Horizons/IPAD distribution**

As you are aware, we will be distributing student iPads after half term, please can I remind you to complete the home/user agreement that was sent earlier this week. If you have not received this, please contact the academy for assistance.

### **Uniform/standards reminder**

Please can I also remind parents/carers of our uniform policy that is part of the home-school agreement. Blazers are compulsory and must be worn, footwear must be black only and we do not permit false nails/false eyelashes etc to be worn. To view the policy please see the link here to our website <https://www.oasisacademymediacityuk.org/academy-life/uniform>

### **Breakfast club provision**

We now offer a breakfast club at school from 7.30am daily. Social distancing measures are in place and students will be sat with their own year group bubble. This provision is free of charge and open to all year groups. The breakfast club can be accessed via the back entrance on King William Street. Should you require any further information please contact the school on 0161 8866500.

### **Upcoming events**

There are a number of upcoming events during half term six. I would like to give you advanced notice that we will hold a Year 9 and 10 virtual Parents Evening as well as a Year 9 virtual Option Information Evening. We will also be conducting end of academic year assessments, in addition to sending progress reports to all parents/carers. More information on all the above will follow nearer the time along with a curriculum update from Mr McEvoy.
